

**PROPOSAL REVIEW PANEL FOR EMERGING FRONTIERS IN BIOLOGICAL SCIENCES
NATIONAL SCIENCE FOUNDATION**

Advisory Committee Charter

- 1. Committee's Official Designation** Proposal Review Panel for Emerging Frontiers in Biological Sciences (the Committee) #44011
- 2. Authority** This committee is established in accordance with the provisions of the Federal Advisory Committee Act (FACA), as amended, 5 U.S.C., App., and the National Science Foundation Act of 1950, as amended, 42 U.S.C. §1861 et. seq.
- 3. Objective and Scope of Activities** To advise the National Science Foundation (NSF) on the merit of proposals requesting financial support for research and research- related activities. The panel will review proposals submitted to NSF under the purview of the Emerging Frontiers (EF) activity within the Directorate for Biological Sciences.
- 4. Description of Duties** Review and evaluate proposals, which may include site visits, and provide written recommendations on proposals as part of the selection process for awards. May evaluate and provide advice on the progress of awarded proposals.
- 5. Official to Whom the Committee Reports** The Committee reports to the Director, Emerging Frontiers.
- 6. Agency Responsible for Providing the Necessary Support** The National Science Foundation will provide all operating and staff support costs for the Committee.
- 7. Estimated Annual Operating Costs and Staff Years** The estimated annual operating cost of this panel is about \$351,000, which includes about \$174,146 in staff support cost. Staff support is approximately 1 person-year.
- 8. Designated Federal Officer** A full-time or permanent part-time NSF employee will serve as the Designated Federal Officer (DFO). The DFO will approve or call the committee meetings, prepare and approve meeting agendas, attend committee meetings, and adjourn any meeting when the DFO determines adjournment to be in the public interest. The Director, Emerging Frontiers will serve as DFO. The alternate DFO is the program manager, director, or official running the review panel meeting or managing the site visit.
- 9. Estimated Number and Frequency of Meetings** There will be approximately six meetings a year.
- 10. Duration** It is expected that the panel will continue indefinitely with renewals of the charter every two years as required under FACA.
- 11. Membership and Designation** Membership consists of approximately 50 people. The subject and number of proposals to be reviewed determine the number of members attending each meeting. Members are selected to achieve a balance of viewpoints and expertise in the scientific areas encompassed by EF activities. Every effort is made to achieve a diverse membership that includes individuals from underrepresented groups and different geographic

regions.

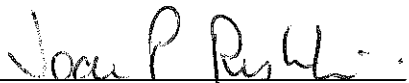

It is anticipated that members will be comprised of Special Government Employees (SGE) and Regular Government Employees (RGE).

13. Recordkeeping The records of the Committee shall be handled according to section 2, General Records Schedule 26 and applicable agency records disposition schedule.

14. Certification This committee is determined to be necessary and in the public interest.

Charles D. Liarakos
Director
Emerging Frontiers

Joann P. Roskoski
Acting Assistant Director
Directorate for Biological Sciences
